LIONS CAMP
STRANDENGA
ENVIRONMENT
NORWAY

The Big PICTURE

Our slogan for Camp Strandenga Environment is “Mjøsa – not just a lake.”

Lake Mjøsa is Norway’s largest lake, thus our most important fresh water resource. A huge environmental initiative has recently started; we need to save Mjøsa.

We must learn to see the bigger picture. We need to preserve our natural resources for the generations to come. We must stop looking for quick fixes and focus on sustainable long-term solutions.

This is the camp’s primary focus. Mjøsa is not just a lake – it’s a living being, full of life. It’s a friend that needs love and care, and most importantly, it’s a part of the circle of life.

Today we have so many things we can easily live without, but water is not one of them. Water is life.

Activities

The camp will take place at Strandenga, a beautiful camp site on the shores of lake Mjøsa.

Through excursions we will explore Mjøsa’s role in the community. We will

learn about the ecology of the lumber industry, from small plants to building materials. We will visit timber constructions, such as the building of the world’s tallest wooden building.

We encourage the participants to show and tell how environmental preservation is practiced in their home country.

Nobody needs to be super fit, but we think the camp will appeal to those who loves the outdoors – no matter the weather.

Registration

To participate at this camp, please email your information to our Youth Exchange Program Chairperson, incoming Norway – yepc.norway@lions.no before March 15, 2019.

Arrival: July 3
Departure: July 22
Host family: July 3 – July 7
Camp dates: July 7 – July 22
Host family locations: Oslo, Akershus, Møre og Romsdal and Innlandet
Age: 18 – 23 years
Camp capacity: 25 – 30
Gender: Both
Language: English
No camp fee

Program

Each day at the camp will offer a different approach. Our goal is that the participants return home with a bigger picture of how to care for the environment, and each other.

A Lions international youth camp will always encourage the participants to learn from each others cultures. Hopefully, we will develop long lasting friendships and contribute to a better environment.

What to bring

Pack warm clothes (wool), raingear, summer clothes, good shoes and a good pair of hiking boots.
